Sir Robert A. Falconer
Toronto, Ont., Canada.

My dear Sir Falconer:

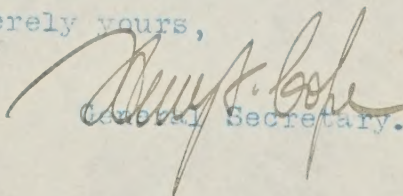

I am delighted to know that
you will participate in our next convention. In
order to secure advance publicity for this meeting
I am asking you to cooperate at two points.

Will you send us, before March 1, a
representative selection, or a summary of your paper
suitable for newspaper publication, of three or four
hundred words?

Will you send me, at the earliest
possible moment, a photograph of yourself for the
use of the Detroit publicity committee?

Of course you hesitate; but please
consider: we want the people who are interested in
your subject to get your message, and the methods
suggested above are the most effective we can devise
to bring these people to the meetings.

Sincerely yours,

General Secretary.

Dr. H. W. Cope,
Religious Education Association,
Chicago.

Dear Dr. Cope:

I am sorry that I shall be unable to send you an outline of what I intend to say before March 1st. In fact I am doubtful whether I shall have anything ready until shortly before I leave for Detroit and then it may not be written in full. I am so busy that it is quite out of the question for me to find time at present to write out my address. I have in a general way an idea of what I am to say, but so far I have not been able to get further than that. I am, however, sending you a photograph as you desire. Regretting that I am unable to be of service to you in this matter, I am,

Yours sincerely,

President.

Chicago, Ill.

Dear Dr. Cope:

I have to thank you for your letter informing me of the honour done me by the Religious Education Association in electing me the first Vice-President for the coming year. I appreciate the goodwill that the Association shows to me.

I am writing out from notes of my address an outline which you expect me to send you before very long.

With kind regards, I am,

Yours sincerely,

President.

My dear Mr. Cope:

I am sending you my manuscript covering
what I said a week ago at Detroit. I think you asked me
to let you have it. It is the only copy I have and I would
like to see a proof if you intend to print it.

Yours sincerely,

President.

My dear President Falconer:

I am sending to you a
typewritten copy of your paper. If you will
revise this a proof revision will be unnecessary
unless you desire it. We find it very much
better under present conditions of printing to get
our MS perfect than to attempt changes of type.

Sincerely yours,
